14th MEETING OF THE CONFERENCE OF THE PARTIES
Samarkand, Uzbekistan, 12 – 17 February 2024
Agenda Item 31

PROPOSALS FOR AMENDMENT OF APPENDICES I AND II OF THE CONVENTION

(Prepared by the Secretariat)

Summary:

This document summarizes proposals for the amendment of CMS Appendices submitted for consideration by the 14th Meeting of the Conference of the Parties (COP14). The full text of all supporting statements is being made available to COP14 as separate documents.

The Conference of the Parties is expected to review the proposals for amendments to the Appendices and make decisions as regards the approval or rejection of the proposals.

PROPOSALS FOR AMENDMENT OF APPENDICES I AND II OF THE CONVENTION

1. In accordance with the provisions of Article XI of the Convention, the Secretariat received proposals for amendments to Appendices I and II of the Convention for consideration by the 14th Meeting of the Conference of the Parties (COP14). The species covered by the proposals are set out in the table contained in the Annex of this document, together with the Parties proposing the amendment. Parties were advised of the proposals received through [Notification 2023/015](#) of 16 June 2023.
2. The proposals for amendment referred to above are accompanied by supporting statements based on the format agreed by COP12 (2017) and contained in Annex 2 to [Resolution 13.7 Guidelines for Preparing and Assessing Proposals for the Amendment of CMS Appendices](#). The supporting statements are made available to COP14 as separate documents (UNEP/CMS/COP14/Doc.31.4.xx). The texts of the proposals are translated into the working languages of the Conference of the Parties.
3. In accordance with Article XI, paragraph 3 of the Convention, Parties are invited to communicate any comments on the proposals to the Secretariat by 24 August 2023. All comments received by that deadline will be compiled by the Secretariat as an addendum to this document.
4. Pursuant to paragraph 12 of Resolution 13.7, the Secretariat will consult other relevant intergovernmental bodies, including RFMOs, having a function in relation to any species subject to a proposal for amendment of the Appendices. Comments originating from these consultations and received by 24 August 2023 will also be compiled by the Secretariat as an addendum to this document.
5. Details on the handling of comments and amendment of proposals can be found in Annex 1 to the [Report of the 48th Meeting of the Standing Committee](#) (Bonn, 23-24 October 2018).
6. All the proposals will be examined by the 6th meeting of the Sessional Committee of the CMS Scientific Council (Bonn, 18-21 July 2023), which will assess them from a scientific and technical standpoint and provide advice to the Conference of the Parties.

Recommended actions

7. The Conference of the Parties is recommended to:
 - a) review the proposals for amendments to the Appendices;
 - b) make decisions regarding the approval or rejection of each of the proposals.
