areas beyond national jurisdiction

9 March 2020

Excellency,

I write to you concerning the Intergovernmental Conference on an international legally binding instrument under the United Nations Convention on the Law of the Sea on the conservation and sustainable use of marine biological diversity of areas beyond national jurisdiction (“the conference”).

Pursuant to General Assembly resolutions 72/249 of 24 December 2017 and 74/19 of 10 December 2019, the fourth session of the conference is scheduled to be held from 23 March to 3 April 2020 at the United Nations Headquarters in New York.

However, in light of the situation concerning the Coronavirus disease 2019 (COVID-19), I held an informal meeting with delegations on 9 March 2020 to consider the postponement of the fourth session of the conference. During that meeting, it was agreed that the fourth session of the conference will be postponed to the earliest possible available date to be decided by the Assembly.

In this regard, please find attached the draft decision for adoption by the General Assembly. I kindly request that a formal meeting of the General Assembly be convened as soon as possible, and no later than 12 March 2020, to adopt the draft decision.

As the conference is at a critical stage, I also kindly request that your office, in consultation with the Secretariat, give special consideration to the conference when allocating new dates for the fourth session, so that we may continue our work to develop the instrument as soon as possible.

Please accept, Excellency, the assurances of my highest consideration.
