Further resumed fifth session

New York, 19-20 June 2023

Information for participants

Note by the Secretariat

I. Introduction

1. Pursuant to General Assembly resolution [77/248](#), the resumed fifth session of the intergovernmental conference on an international legally binding instrument under the United Nations Convention on the Law of the Sea on the conservation and sustainable use of marine biological diversity of areas beyond national jurisdiction, convened under the auspices of the United Nations pursuant to resolution [72/249](#) to consider the recommendations of the Preparatory Committee established in resolution [69/292](#) on the elements and to elaborate the text of an international legally binding instrument under the United Nations Convention on the Law of Sea on the conservation and sustainable use of marine biological diversity of areas beyond national jurisdiction, was held at United Nations Headquarters in New York from 20 February to 3 March 2023.

At the end of that meeting, the Conference decided to establish an open-ended informal working group tasked with ensuring the uniformity of terminology throughout the text of the draft agreement under the United Nations Convention on the Law of the Sea on the conservation and sustainable use of marine biological diversity of areas beyond national jurisdiction finalized at that meeting and with harmonizing the versions in the six official languages of the United Nations, and to resume at a later date once the open-ended informal working group has completed its work with a view to adopting the agreement. In this connection, the General Assembly, in its decision [77/556](#) (available as [A/77/L.62](#)) requested the Secretary-General to convene a further resumed fifth session of the conference on 19 and 20 June 2023, tentatively, or on a date to be determined in consultation with the President of the conference. Accordingly, the further resumed fifth session will be held at United Nations Headquarters in New York on 19 and 20 June 2023.

Delegations are encouraged to bring their own mobile devices to download and view the relevant documentation. 16. Delegations are invited to submit their statements in PDF format by email to estatements@un.org. When sending statements, delegations should indicate the name of the meeting, the date of delivery and the speaker in the subject line of the email and in the heading of the statement. The statement should be submitted well in advance of the meeting but no later than two hours before delivery, and should not be submitted in hard copy. Statements submitted by email should appear in the eStatements part of the meeting announcement in the Journal of the United Nations. Delegations should indicate in the subject line and in the body of the email whether the statement is for the use of interpreters only or should also be posted online. The statements will remain embargoed until their delivery. The eStatements services are only available for the duration of the meeting. VIII. Interpretation

18. The official languages of the conference are Arabic, Chinese, English, French, Russian and Spanish.

19. Statements made in the plenary in any official language will be interpreted into the other official languages. It is essential that delegations provide the interpreters with a written text of their statements by emailing them to estatements@un.org well in advance of the meeting but no later than two hours before delivery, in order to

assure the quality of the interpretation. Speakers are requested to deliver the statement at a speed that facilitates simultaneous interpretation (100 to 120 words per minute).

20. Any speaker may also make a statement in a language other than the official languages. In such cases, in accordance with rule 53 of the rules of procedure of the General Assembly, the delegation in question must provide either an interpreter to interpret from the non-official language into an official language, or a written text of the statement in one of the official languages to be read out by a United Nations interpreter. The interpretation or the written text will be considered by the Secretariat as representing the official text of the statement and will be used by the United Nations interpreters as the basis for interpretation into the other official languages. When a written text is provided, the delegation concerned should make available to the interpreter someone who knows the language in which the statement is to be delivered and the official language into which it has been translated, to guide the interpreter through the translated text and ensure synchronization between the speaker and the interpreter. Detailed arrangements for interpretation from non-official languages, including access by non-United Nations interpreters to the interpreters' booths in conference rooms, must be made in advance to the Meetings Management Section of the Department for General Assembly and Conference Management by telephone (212 963 8114) or email (gmeets@un.org).
