

**United Nations Open-ended Informal Consultative
Process on Oceans and the Law of the Sea
9th meeting (23-27 June 2008)**

Discussion segment 3: Maritime safety: Experiences and Challenges

**Mr. Majed S. Mastoor
Executive Officer
Coast Guard Training Institute
Yemen Coast Guard (YCG)
Republic of Yemen**

ABSTRACT

This presentation is the perspective of the Republic of Yemen, as a developing coastal state, on challenges in implementation and enforcement in relation to maritime safety. The presentation is an overview of the ROY maritime safety and security related efforts through the Yemen Coast Guard (YCG). It will also talk about the challenges that the YCG is facing in implementing these efforts. In addition, the presentation will include the current YCG operational capabilities and its capacity-building needs.
