## INTRODUCTORY NOTE

The present bibliography has been compiled by the Division for Ocean Affairs and the Law of the Sea of the Office of Legal Affairs of the United Nations. It is the twenty-fourth published in the current series of law of the sea bibliographies. 1/

The bibliography is intended for the use of those interested in ocean affairs and the law of the sea matters in general and in the United Nations Convention on the Law of the Sea in particular. Its content is selective and restricted to monographic and periodical literature (excluding official documents of the United Nations) and includes citations of recently published books and articles, primarily in English, French and Spanish.

The bibliography is divided into 20 19 subject categories based mainly on the major topics in the Convention. The books and articles within each category are listed alphabetically by author.

Many of the references cited are available at United Nations Headquarters, New York, in the Law of the Sea Library (room DC2-0430, telephone (212) 963-3963); the Legal Library (room S-3455, telephone (212) 963-5372); and the Dag Hammarskjöld Library (room L-105, telephone (212) 963-7412).

Note: The Law of the Sea Bulletin was distributed free of charge to Governments and academic institutions up to 1994. Beginning with the first issue in 1995 (No. 27), the English version of the Bulletin has been available on a subscription basis. The current price of a subscription is \$65.00 per year (three issues). Distribution of the French and Spanish versions will continue as in the past. Those wishing to subscribe to the Bulletin, or order other Law of the Sea sales publications, may contact United Nations Publications at the addresses indicated below:
