

UNITED STATES MISSION TO THE UNITED NATIONS
NEW YORK

January 11, 2018

The United States Mission to the United Nations presents its compliments to the United Nations and has the honor to refer to the Secretariat's Note Reference "Ocean noise studies" dated July 31, 2017, regarding a request for submission of peer-reviewed studies pursuant to General Assembly Resolution 71/257. The United States hereby presents the enclosed peer reviewed scientific studies on impacts of ocean noise on living marine resources (post 2007). Copyright permission has been granted to allow the United Nations to post them on its website.

The United States Mission avails itself of this opportunity to renew to the United Nations the assurances of its highest consideration.

Enclosure

DIPLOMATIC NOTE

Peer-reviewed Scientific Studies on Impacts of Ocean Noise on Living Marine Resources (post 2007)
Submitted by the United States
January 2017
