

Two-day multi-stakeholder dialogue and capacity-building partnership event: Invitation to nominate panelists

A two-day multi-stakeholder dialogue and capacity-building partnership event (the “Event”), will be held at the United Nations Headquarters in January 2019. The planned dates for the Event are 24 to 25 January 2019.

Nomination of panelists

Member States of the United Nations, members of United Nations specialized agencies and relevant organizations, bodies, funds or programmes within the United Nations system, relevant intergovernmental organizations and other stakeholders are invited to nominate panelists for the various panel segments. Nominations should have due regard to the need for gender balance.

Financial support will be provided to facilitate the participation of a limited number of panelists from developing countries in the Event, taking into account the need for both gender balance and geographical representation. The Bureau of the Ad Hoc Working Group of the Whole on the Regular Process for Global Reporting and Assessment of the State of the Marine Environment, including Socioeconomic Aspects, in consultation with the Group of Experts of the Regular Process and the secretariat, will draw up a list of panelists.

To submit a panelist nomination, kindly provide:

- The segment under which the presentation is proposed to be made
- The name, gender, nationality and affiliation of the person(s) presenting
- The title of the presentation
- A short summary of the presentation

Kindly submit any nominations for panelists to doalos@un.org by 21 November 2018.
