 FOR OCEAN ACTION SERIES

LOCAL AND REGIONAL GOVERNMENTS PARTICIPATION AND ENGAGEMENT

Engaging local and regional governments in the implementation of Sustainable Development Goal 14, Life Below Water, is essential in the transition towards a clean, blue and just ocean economy. Join our webinar to mobilize stakeholders from local and regional governments, share information and brainstorm ideas on how to strengthen the momentum for ocean action amongst local and regional governments during the preparatory process of the 2020 UN Ocean Conference.

This session of the four-part series “Keeping the Momentum for Ocean Action” is a joint effort from the UN Department of Economic and Social Affairs, United Cities and Local Governments, the Global Taskforce of Local and Regional Governments and the UN Non-Governmental Liaison Service.
